Happy New Year!

Elizabeth, Thanks for the update.

Sam, as promised here is the internal document I have. Please note, some of this is out of date or inaccurate as things have changed too, like the mitigation regs were adopted etc. PLEASE do not share this widely. Additionally, please check with me regarding which parts are still totally accurate.

Thanks
- Kathy

Hi Sam and Kathy

As a follow up to our meeting with ADEQ last week, I contacted Heidi Haggerty regarding biweekly conference calls between EPA and ADEQ. Heidi thanked us for last week's meeting and said ADEQ is not quite ready to schedule biweekly calls. She will contact me when they are ready to do so.
